Interior PERSPECTIVES

LIVING ROOM /
INTERIOR STUDY

BONARCH DRAFT

01.

A calm, open composition where natural light, material warmth, and refined details create a timeless living atmosphere.

02.

Generous surfaces, tactile materials, and curated compositions bring depth and coherence to every angle.

Living COMPOSITION

ATMOSPHERE IN BALANCE

01.

A calm, open composition where natural light, material warmth, and refined details create a timeless living atmosphere.

02.

Generous surfaces, tactile materials, and curated compositions bring depth and coherence to every angle.

Toronto KITCHEN

RESIDENTIAL INTERIOR

A calm kitchen composition shaped by natural light, warm wood cabinetry, and dramatic stone contrast.

01.

Warm oak cabinetry and soft daylight create a quiet, welcoming atmosphere.

02.

The black stone island anchors the space with texture, contrast, and everyday functionality.

SELECTED WORKS 2025

Little ATELIER

Modern RESIDENCE

RESIDENTIAL EXTERIOR

A contemporary home shaped by warm timber cladding, crisp white render, and tall glazing.

01.

Vertical wood and brick accents break the facade into a clear, balanced rhythm.

02.

Full-height windows open the interior to the street and the changing seasons.

Urban TOWNHOMES

RESIDENTIAL EXTERIOR

Loft LIVING

WARMTH IN TEXTURE

01.

Raw stone, coffered concrete, and soft paper lanterns layered into one calm interior.

Classic ROWHOUSES

RESIDENTIAL EXTERIOR

Brick, stone, and steep gables
arranged in a quiet, repeating
streetscape at golden hour.
